U.S. Catholic Church Stands in Solidarity with Immigrants and Refugees Observation of National Migration Week: January 5-11, 2020

For nearly a half-century, National Migration Week has been observed in the United States to highlight the situation of immigrants and refugees and unite in prayer to accompany them. The theme for this year's observance is "Promoting a Church and a World for All," and reflects the Church as a welcoming place for all God's children.

"As a founding principle of our country, we have always welcomed immigrant and refugee populations, and through the social services and good works of the Church, we have accompanied our brothers and sisters in integrating to daily American life," said Bishop Mario E. Dorsonville, chairman of the U.S. Conference of Catholic Bishops' Committee on Migration. "National Migration Week is an opportunity for the Church to prayerfully unite and live out the Holy Father's vision to welcome immigrants and refugees into our communities and to provide opportunities that will help them and all people of good will to thrive."

EPIPHANY OF THE LORD

LIGHT OF THE WORLD

Epiphany can be understood as an extension of the Nativity of the Lord that we celebrate on December 25. While at Christmas we celebrate Jesus' coming as the long-awaited king and Messiah of the Jewish people, on Epiphany we celebrate the revelation that Jesus is the Savior and Light of all nations—Jews, Gentiles, and all people.

The star shines so brightly that it attracts magi who come from far distant countries to worship Jesus. They are not Jews, yet they are drawn to the Light of the world. The letter to the Ephesians reveals that the Light of the world was for the Gentiles as well as the Jews—Christ gathers all people into the light of his love. The reading from Isaiah also describes a gathering of diverse peoples, but this time it is to the light that emanates from the people of God.
