# God's Word for Children

## Thirteenth Sunday in Ordinary Time

Because Jesus was rich in graciousness, he became poor for our sake.  
He willingly suffered to take away our sins.  
Think of his sacrifice as you do this long "take-away" math problem.  
The final sum will show what Jesus' gift of redemption costs us.  
Write this word in the cash register window.

Salvation's cost:

A line drawing of a cash register with several dollar bills and coins falling out of its tray. An arrow points from the register towards the math problem.
